

PROSCAFF ENTERPRISES INC.

CUSTOM SOLUTIONS FOR YOUR TUNNELLING PROJECTS

Quality + Savings. Delivered hassle-free
for more than 20 years.

TUNNELLING SOLUTIONS

WHY PROSCAFF:

Since 2005, Proscaff has engineered and manufactured the high-performance products that power tunneling, scaffolding, pulp and paper, and concrete construction projects worldwide.

Leading tunneling companies trust Proscaff with their most critical equipment.

You want tunnels completed and commissioned on time. We enable you to make it happen – with the highest quality and the lowest possible cost.

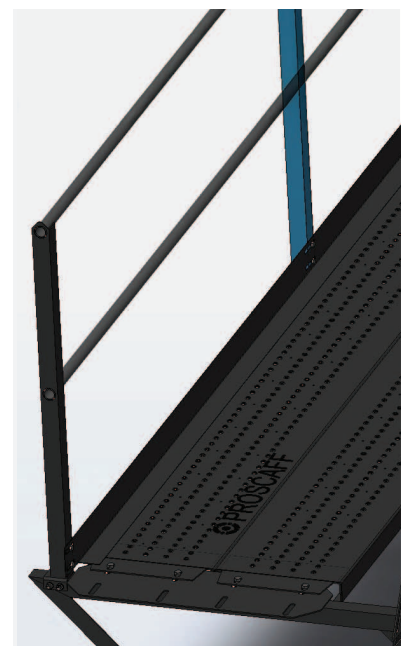

Ready to put over 20 years of proven engineering to work on your next project?

01

TUNNEL WALKWAYS:

Customized to your tunnel dimensions and access requirements.

02
